> About Me

Please allow me to introduce myself. My name is Diana Stunich, and I have been a graphic designer for the past 5 years, working on staff for commercial agencies serving the entertainment and media fields, as well as running my own small design firm, Digital Creations. My abilities and experience are far-ranging.

I am well-versed in all the software programs that you require as you will see on my attached resume. The security of a position with a firm of your success and stability would not only be in my best practical interest.
